Washing & Care for Metallic Threads:

Washing:

Set to Delicate, or put items with metallic threads in a net bag, and **ONLY** use a neutral detergent.

Drying:

Items with Metallic threads can drip-dry, but **ONLY** in an indoor or shaded location. Prolonged direct sunlight can fade the metallic sheen.

Ironing:

Iron at medium temperature. No more than 160 ° C/320 ° F max.

Dry Cleaning:

Yes, but **ONLY** with petroleum-based detergent.

NO Chlorine Bleach

NO Dryer Machines

NO Prolonged Direct Sunlight
